PRESIDENT'S FOREIGN INTELLIGENCE ADVISORY BOARD

December 21, 1983

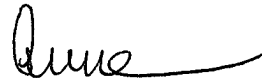

Dear [REDACTED]

Among the many issues which have attracted the PFIAB's attention, the nature of the training process for Intelligence Community personnel has been one of the most important. In order to increase our understanding of that area, we would like to request a briefing on Community language training programs for our January Board meeting. My staff has discussed the idea with [REDACTED] of the IC staff, and he has indicated his willingness to meet with us and discuss language training.

We would like to invite [REDACTED] to make his presentation on Thursday, January 12, from 10:15 a.m. to 11:45 a.m. in room 340 of the Old Executive Office Building. He is free to structure his briefing in whatever way he feels will maximize our understanding.

Attached you will find a list of Board members. I hope [REDACTED] will be able to meet with us. Should you have any questions, please contact the PFIAB Executive Director, BGEN C. Norman Wood, at 456-2914.

Sincerely,

Anne L. Armstrong
Chairman
